

Kindergarten Supply List  
St. Mary School  
2021/2022 School Year

Please bring on or before the first day of school. Stick to the specific brand if noted. We have found over the years that these are the brands that last more than a few uses. Other brands do not work well and must be replaced frequently. Please get specific quantities as well. Please write your child's name on all packaging. Thank you for your cooperation!
